Chester Yacht Club Calendar

Commodore's Message

The Chester Yacht Club Executive and staff extends warm greetings back to the Club for our 2011 sailing and socializing season, and a special welcome to our new members. Our burgeoning membership currently stands at 454, an increase of 26 from this time last year.

We trust our activity line-up will satisfy your interests and expecta-

tions. Do not, however, hesitate to tell me, Mary or Randy if you have any comments or ideas for improvement. Clearly, our Club is thriving by fulfilling its member's recreational requirements. On the other hand, your feedback and your volunteerism are fundamental to the continued success of CYC. During the 109 years since its

founding, our past member's and your commitments to our junior program, Club racing, social events and the now internationally recognized Chester Race Week have positioned CYC as a class act....plus financially we are in the "black". You should all be proud!

Please join us in thanking the sponsors who make this calendar

and Chester Race Week possible by considering them first when you are purchasing a product or service. We all look forward impatiently to seeing you at the Club and on the water.

Don McAlpine
